Spring 2 Falcons Class

English

We will read and respond to the books 'Vlad and the Great Fire of London' and 'Toby and the Great Fire of London' and use these when doing descriptive writing. We will use noun phrases in our own sentences. We will use extracts from the Diary of Samuel Pepys to do some hot-seating work where we will develop our speaking and listening skills. We will continue our phonics and word-level work which is tailored to 'fill the gaps' for each individual child.

PSHE

We will continue our work on 'The Hidden Chimp' and how this can lead to falling out with friends. We will look at what makes a good friend and how we can be a good friend to others.

Maths

We will begin by revising adding and subtracting. We will then move on to Measures. We will do lots of practical activities involving finding height, length and weight.

Science

This term we will be looking at Light & Dark. We will start by identifying a range of light sources. We will investigate shadows and will link this to our art and maths work (silhouettes/measuring).

Spring 2 Falcons Class

Geography & History

We will look at a range of resources to find out what London was like in 1666. We will move on to compare this to modern day London. We will learn about the Great Fire of London.

Art/DT

In art we will produce silhouettes using a combination of chalks and cut paper. In DT we will learn about axles, chassis and wheels as we make fire engines.

How can you help at home?

- Encourage me to use language such as longer/shorter, heavier/lighter, empty or full in everyday life.
- Encourage me to help you cook dinner, clear up and tidy away.
- Read regularly together and ask me questions on the text.
- Ask me about my school friends and what makes them a good friend.
- Talk to me about what I am learning in school
- Talk to me about my chimp and how my thinking brain can help me when I am struggling to manage.

PE

This term we will work on throwing and catching skills.
